

## New bridge construction starts Tuesday

Construction of two new bridges for Route 129 in Wilmington, one over the Boston & Maine Railroad and the other over the Middlesex Canal, nearby, will start next Tuesday, with full work schedules to begin the following Monday. This was revealed yesterday, at a pre-construction conference held in Arlington, at the Mass. DPW District 4 office.

The total contract was discussed. Among those present was the president of the Wales Corp., D. Walsh, which firm has been awarded the contract. The Wales Corp. is at present engaged in the widening of Interstate Route 93.

Construction of the bridges, winter, and road work will be done proposed several years ago by Mr. Cain waspre-Rep. Fred Cain, is to continue all sent for the discussion, and also

present, representing Wilmington was the acting Town Engineer, John Majeski, and Highway Superintendent Bob Palmer.

The new bridges will eventually replace the Shawsheen Avenue Bridge, and the Bridge Lane bridge, over the Boston & Maine.

Part of the contract stipulates that the old Middlesex Canal must be left in original shape, and that no contractor or state employee or others may disturb any of the "original historical stations."

SEPTEMBER 17

## A one article special town meeting

The Board of Selectmen of Wilmington have called for a Special Town Meeting on September 17th in the Herbert C. Barrows Auditorium. There will be one article only, by decision of the Selectmen - an article to vote on a bond for the Regional Technical High School, in Billerica. There is an outside chance, at least, that the meeting will not be held.

The School Committee of the Shawsheen Valley Regional Technical High School, in Billerica wants to enlarge the school - to go into Phase II of their construction plans. The School Committee has proposed a \$5,620,000 bond for this purpose. All five towns must participate, in one way or another, or there can be no bond.

A Board of Selectmen may make the vote - as was explained by Chairman James Banda of the Wilmington Board - or a town may make the vote. He felt that, in Wilmington, the town should participate through Town Meeting.

It was his opinion that, if one town should vote against the bond, there could be no addition to the school voted at this time. If, before Wilmington had an opportunity to hold its town meeting some other town had voted against the bond - then the Wilmington Town Meeting would become useless, Banda pointed out. That was his reasoning behind a request that the Selectmen allow only one article for the Town Meeting - to give the Selectmen a chance to call it off, and save the town money, if some other town had already voted against the addition to the school.

And that's how the Selectmen voted - on a motion by Selectman George Boylen.

The Wilmington School Committee (with the possible exception of Barbara Hooper, who was not present) voiced its disapproval of the Town Meeting, through Chairman John Brooks.

Mr. Brooks told the Selectmen that he has nothing against the Shawsheen Tech School, but that the Wilmington committee is concerned with the welfare of 5400 children in Wilmington. This, he said, outweighs the thoughts for a couple of hundred Wilmington children who attend Shawsheen Tech.

Brooks told the Selectmen that the Wilmington School Committee would be coming in, shortly, with a proposal for the new high school, on which it had been working for several years. After that - say in four months, it would probably be happy to support the idea of an addition to the Shawsheen Tech School.

John Brooks statements ran into entanglements, on several occasions. Eugene Kritter of Wilmington, one of the two members of the Regional Vocational School Committee said he was somewhat disappointed, but not surprised, at the remarks

of John Brooks. It was possibly a question of taxes. The Shawsheen School Committee had been wrestling with the problem of an addition for three years - and he did not want to see the Shawsheen School get mixed up with the Wilmington High School Requirements.

Speaking of the proposed bonds, Kritter said he did not want them because his children go to school in Wilmington, but rather because he was a member of the Shawsheen Valley Technical School Committee. He thought the proposals should be kept apart, one from the other, as a practical matter.

Selectman Boylen spoke up to say he agreed with Kritter. John Brooks added that it was, as Mr. Kritter said - a very practical matter - that of taxation.

Next year, Brooks told the Selectmen, Wilmington High School will be loaded to 150% of its capacity. He went on to say that there's not, at this time, one spare room in the Wilmington public schools - a remark to which Selectman Danny Gillis took exception. The remarks between Brooks and Gillis were heavy for a couple of moments.

THE TURF ISN'T TOO GOOD: In Freedom, New Hampshire, where the Wilmington High School football team is spending the last week of summer vacation, in a pre-game workout session. Reports coming back say that Coach Bellissimo is disappointed because of conditions. But the swimming is good, and the boys are enjoying themselves.

## 150th Ken Wilson Concert Saturday at Hammond Castle

It will be the 150th concert for Ken Wilson at the Hammond Castle in Gloucester, on the Great Organ, Saturday starting at 8 pm.

Mr. Wilson who lives on Andover Street, Wilmington, was, for 36 years, the music director of WHDH Radio and TV. A graduate of the New England Conservatory of Music, he studied with Homer C. Humphrey, and later was a student in Paris, with the late famous Joseph Bonnet. Mr. Bonnet, in his

memoirs, said that the Hammond Museum organ, on which Mr. Wilson will play Saturday, was the finest on which Bonnet had ever performed.

Ken Wilson served tieh the Fifth Marine Division in World War II, in the Pacific. He has been a contributing editor to the Christian Science Monitor, and is the Choir Master of the Church of the Good Shepherd in Reading, and is Commencement Organist for Northeastern University.

## GRANGE HALL PARKING AREA TO BE UNDER SURVEILLANCE

The Wilmington Public Schools have again provided the parking area, where the Wilmington Grange Hall was formerly located, for parking for high school students who drive cars to school.

A constant surveillance of the area has been planned, during school hours. It is to be the only parking area available to students.

## A Community Effort BLOOD MOBILE SEPTEMBER 8

The American Red Cross Bloodmobile, for the Greater Lowell Chapter of the Red Cross, is to be at Villanova Hall on September 8th, from 10 am to 4 pm.

Live blood is important. It is precious. Today it is relatively scarce. To have a program that ensures the people of the community against emergencies is an achievement for that community.

The people of Wilmington achieved 100% coverage for everyone in Wilmington, last spring as a result of their generous response to a visit of the Bloodmobile. Everyone who lives in Wilmington has blood coverage for any emergency.

But 100% coverage has to be maintained. There has to be two Bloodmobile drives a year, to do this. The American Red Cross has an expectation of 250 or 300 pints of blood, to be donated on each visit.

Local officials of the Red Cross Bloodmobile are now taking reservations for the second visit.

Anyone who calls either 658-2514 or 658-4832, in the next few days will be entitled to an appointment that will give priority, when the Bloodmobile calls, on September 8th.

## Town asked share of Shawsheen Tech expansion

The Shawsheen Valley Regional Technical High School is located in Billerica, at 100 Cook Street, a site that is near both Burlington and Wilmington, and not too far distant from Bedford and Tewksbury. It has enjoyed a wonderful reputation during the past few years as a no-nonsense school which instructs pupils in technical skills.

There is a School Committee of ten persons, two from each of the five towns. Students from all the towns are eligible to attend. At the present time, of every three applicants, one fails to become a student.

Proportionately most of the pupils come from Billerica - 31%. Then, in descending order, the proportions are: Tewksbury 24%, Burlington 18%, Wilmington 17% and Bedford 8%. There are 680 students, from the five towns.

The Regional School Committee has voted to ask for \$5,620,000 from the five towns, in order to enlarge the school to about twice its present capacity. Town Meetings are now in order, in those five towns. Burlington has issued a call for Sept. 12. Wilmington has issued one for Sept. 17. Tewksbury is expected to issue one shortly, as are Billerica and Bedford.

The money asked for will just about double the school, in size and in enrollment. The present building is well designed, and of surprisingly low cost. The architects are the same who planned the Wilmington Public Library.

When the new construction (Phase II) is completed, in September 1975 (assuming the money is voted) the total cost of

The McNabbs will tour Europe

Mr. and Mrs. Robert McNabb of Fitz Terrace, Wilmington, will be leaving shortly for a tour of Europe, on a motorcycle, a tour that is planned to last one year.

A Navy veteran, and a former member of the All Navy baseball team, Mr. McNabb has just graduated from Boston University.

## Schools open next Wednesday

The Wilmington Public Schools will open for the season on Wednesday, September 5th with regular sessions in all schools.

High School, Grades 9-12, 7:50 am to 2:19 pm. This is a change from the previous high school time schedule and is caused by the overcrowded conditions at Wilmington High School and a need for greater coordination in the secondary bus runs.

North and West Intermediate Schools, 8:00 am to 2:25 pm.

Elementary Schools, Grades 1-6, 8:45 am to 3:00 pm. Wednesday dismissal will be at 1:30 pm for all schools but Shawsheen and Woburn Street which will be dismissed at 12:30 pm.

As was the case last year, in order to avoid double sessions and overcrowding in some areas of town, and to permit time for the building program to catch up with the ever increasing school population, it was necessary to assign some elementary children to school other than those in their own districts.

During the first week of school, September 5th to 7th, all first grade children will be dismissed at noon. They will not receive lunch during the first week.

Only those first graders who were registered prior to June 30th

will be allowed to enter school on September 5th.

All other first grade students should be registered immediately. However, these students will not be admitted to school until Monday, September 10. This procedure is necessary to allow the elementary school principals an opportunity to balance their classes.

The Wilmington public schools will also begin their public kindergarten program in September. Classes will be held in four different church sites, namely the United Methodist Church, St. Thomas Church, Villanova Hall, and St. Dorothy's Church.

Kindergartens will operate both a morning and afternoon session. Class hours for the morning session will be 8:45 am to 11:45 am; for the afternoon session, the hours will be 12:45 pm to 3:00 pm. As in regular elementary school programs, there will be no afternoon session on Wednesdays throughout the year. Half way through the year, morning and afternoon students will swap sessions in order to equalize the annual instructional hours to meet State standards.

Kindergarten classes will begin on Wednesday, September 5 for the morning session only. Afternoon classes will not be held that day.

Kindergarten classes for the afternoon students will begin Thursday, September 6th. Kindergarten morning sessions will not be held on that day. Full schedule classes for both morning and afternoon groups will begin on Friday, September 7th.

The Wilmington Community Service Committee will sponsor a coffee hour for weary mothers on the first day of school from 9 am to 12 noon, at the VFW hall on Main St. Available will be displays and information relating to our community. This coffee hour should be especially beneficial to kindergarten and first grade mothers, or mothers new to the community.

Regulations governing school bus transportation are the same as in the past. The School Committee will provide transportation to any child in the following grades whose walking distance exceeds: Grades 1 - 8, 1 1/2 miles; Grades 9 - 12, 2 miles.

Special arrangements for transportation of the handicapped are made by the business manager. Homework assignments for the students in WHS are in this issue of the Town Crier.

## Bits &amp; Pieces

Ray Mosher of Monmouth, Maine is currently visiting at the home of Mr. and Mrs. George Anderson of Nickerson Ave., Wilmington.

Morris Spellman of West St., Wilmington observed his birthday on August 26th and Mrs. Dorothy Darling of Eames St., will celebrate hers on September 1st.

The Reverend and Mrs. Norman Arbo and son Steven of Oak Grove, Missouri have returned home following an enjoyable vacation with friends and relatives in Wilmington. The Rev. Arbo, a 1947 graduate of WHS is Minister of the First Baptist Church in Oak Grove.

Use of Wilmington's VFW Hall on Wednesday mornings has been donated to the Wilmington Women's Club. The ladies plan to conduct community service projects there and are open to suggestions. Call Mrs. Malcolm Butler of West St., or Mrs. Frank Darling, Sr. of Eames St. to offer ideas.

Three Wilmington youngsters have recently returned home from Happy T Ranch at Stinson Lake, New Hampshire - Rick Spinney of Lawrence St., Eddie Allen of Nickerson Ave., and Terry Jenkins of Woburn St.

TROOP 59 AT  
NORTHWOOD LAKE

Nineteen members of Troop 59, sponsored by the Wilmington Methodist Church took part in a recent camping trip to Northwood Lake.

By far the most exciting activity for swim veterans and twelve first year campers was a 'war' canoe paddle propelled trip down Northwood Lake for ice cream.

During a most challenging week, fifteen Scouts competed or received partial credit for merit badges; four earned skill awards and two progress awards. The veterans were also given an opportunity to serve as either Senior Patrol Leader or Patrol Leader during the week.

Included in the trip were: Steven Brown, David Collins, Kenny Dalton, Pat DeGraffenreid, Archie Delettar, Danny Deschamps, Mark Foley, John Hamilton, Stephen Mazzola, Guy Morse, Robert Simmons, Donald Stevens, Brian Walley, Keith Walley, Kenny Warren, Mark Warren, Roy White, Richard Grinder and Kevin Peterson.

The adult supervisor for the trip was Richard Grinder of Middlesex Ave., Wilmington.

## SOFTBALL

TEWKSBURY  
SOFTBALL LEAGUE

Tue. Aug. 21...The Arrows combined sharp pitching together with a solid hitting attack to bomb Antonelli's in game two of their playoff series. The final score read Arrows 9, Antonelli's 2.

Jack Foster went the distance in pitching the victory - Tony Solio lead the attack with three hits in three times at bat. Ken Maglio also aided the Arrows attack with a two-run homer.

Foster scattered four hits in pitching an excellent game. The series is now tied at one game apiece.

Thur. Aug. 23...Teddy's Bears took a commanding 2-0 edge in their play-off series as they clobbered Jack's Hawks 12-4 at the Livingstone Street courts.

Jim Bolduc paced the Bears with two hits and four rbi's. The Hawk's Tony Romano was the hitting star as he banged out three hits. Buzz Couillard took the victory as he pitched an excellent game for the Bears. Larry Kelleher took the loss for the Hawks.

Antonelli's took a 2-1 edge in games as they defeated the Arrows by the score of 7-1.

Antonelli's did most of the damage in the top of the seventh as the club pushed six big runs across the plate.

Connie Barry's two-run triple was the big hit of the inning. Jim Brooks got the mound victory for Antonelli's Reps while Jack Foster garnered the loss.

Mon. Aug. 27...Teddy's Bears and the Arrows were victorious in the playoffs at the Livingstone Street Courts. The Bears eliminated Jack's Hawks three games to none while Arrows evened their series with Antonelli's at 2-2.

The Bears used their potent hitting attack to bury the Hawks 8-5. Steve Catalano was the hitting star as he drove home four big runs. The big first baseman cleared the base paths with a ringing single to drive home three runs in the top of the fifth for the Bears.

Skip Roper and Bill Kelleher banged inside-the-park homers for Jack's, but to no avail.

Arrows relied on Jack Foster's pitching arm and Billy Dougherty's big bat for their victory. The Arrows managed to escape many a jam beating Antonelli's 4-2. The deciding game in this series is slated for Tuesday, August 28 at the Livingstone Street courts.

ST. THERESA'S  
COP TOURNEY TITLE

The All-Stars from St. Theresa's came from a 10-2 deficit Friday night to whip Burlington, 16-10 in the championship game of the Girls' Northwest League Softball Tournament, hosted by the Wilmington Recreation Department.

In the two semi-final contests, St. Theresa's ripped Woburn, 19-4 and Burlington topped Chelmsford, 8-2. The Wilmington

girls defeated their mothers, 5-4 in the preliminary contest Friday night.

In the post game ceremonies the Wilmington team was awarded the Leagues sportsmanship trophy. This was a total surprise to our girls, who suffered through a winless season in their initial debut of league competition.

To the coaches, Mark Payne and Gloria Smith, the Recreation Department offers thanks for your perseverance throughout the season.

## BOYS' SOFTBALL

Tues. Aug. 21...In the opening game of the championship, best of five series, FBR edged MaGoon's 8-7 in extra innings. Kris Hinxman homered with a man on in the top of the first to give MaGoon's a quick 2-0 lead, which held up until the last of the third.

Scott MacGillivray belted a two run homer in the first half of the third to high-light a three run outburst for FBR. Mike Barcellos increased the lead to 4-2 with a solo round tripper over the left field fence in the fourth. MaGoon's tied the score in the top of the sixth on a pair of hits and a couple of FBR errors.

Tom Bromander slammed a two run homer in the seventh and a third run came home on an error to give MaGoon's a 7-4 lead. In the last of the seventh FBR pushed across three runs on a hit and four walks and the game was tied once again.

MaGoon's failed to score in the eighth, but in their half of the eighth FBR scored the game winner. Jim Connors and Peters singled with one out, Frederickson walked to load the bases and MacGillivray followed with a single to left to score Connors for a 1-0 series lead.

Wed. Aug. 22...FBR went on a scoring spree to gain a 2-0 series lead with a 15-11 slug fest win over MaGoon's in the lid lifter of a double header at Rotary Park. MacGillivray slammed a grand slam homer, while Barry Foster blasted a three run shot and Bob Knowlton drove in four runs with a pair of singles to lead the FBR club. Tiger Cairn continued his heavy hitting in the playoffs, belting a three run homer for MaGoon's.

The second game was the opposite of the opening slug fest as Chris Hinxman out dueled Dave Newhouse as MaGoon's remained alive in the series, posting a come from behind 3-2 triumph.

FBR jumped out to a 2-0 lead in the third inning on Chuck Woods single with the bases loaded, but Tom Bromander slammed a two run homer in the last inning with one out to tie the game and Dave Cain walked with the bases loaded to force in the go ahead run. Both pitchers spun four hitters in the best game of the series to date.

Thur. Aug. 23...Dave Newhouse, making his first straight start, tossed a two hitter and FBR rode to victory on the strength of Bob Reid's fourth inning grand slam to take the championship three games to one.

Rick McCully homered for MaGoon's in the first frame to give the Hinxman club a 1-0 lead, but FBR tied it at 1-1 in the third on a bases loaded walk to MacGillivray. In the fourth the winners put the game out of sight when Reid slammed a 1-1 pitch over the right field fence with the bases loaded to cap a five run outburst, the other run came on a bases loaded walk to Dan Spear.

## WILMINGTON REC SUMMER LEAGUES

Tue. Aug. 21...The Rowdy Blacks moved into undisputed possession of first place with a convincing, 7-1 triumph over the undermanned Gold Nuggets. Eileen Sullivan scored her initial seasonal goal to give the Blacks a first period 1-0 lead.

In the middle frame the Rowdies exploded with four goals to take a commanding 5-0 lead. Lori McNabb (2), Mary Ann Langone and Tammy Oliveira all beat Kathy Bristol in the Nuggets net and the outcome was obvious. McNabb fired home her third marker at 2:16 of the last frame to make it 6-0. Janet Carlson averted a Nugget shut out with her 18th seasonal goal at 2:25 of the stanza. Langone closed out the scoring at 10:35 to provide the final margin of victory.

In the nite cap the much improved Red Barons edged the Broadey Bunch with a pair of markers in the last period. The 2-1 triumph was the third win in their four recent outings for Coach Gunn's Barons.

Mary Castaldo opened the scoring at 8:24 of the first period with her fourth goal of the season with Janice Gennetti and Karen Surrutte assisting. The goal tending of Cindy Laquidara and the back checking of the Broades defense held up until the opening seconds of the final frame when Fran Johnson's shot from the left point eluded Laquidara's grasp and went into the far corner to knot the score at 1-1.

The Barons dominated play after tying the score at 5:28, Leslie Arnold converted a Denise Kindred pass for her 11th seasonal goal and a 2-1 lead. Diane Robinson also picked up a helper on the winning goal.

Thur. Aug. 23...On the final night of the summer program the league

championship held in the balance and the Rowdy Blacks (9-3-0) won the title with a 2-1 triumph over the Barons (3-9-0), while the Broadey Bunch (4-7-1) upset the Nuggets (7-4-1) 1-0.

In the opening contest, Janice Gennetti's eighth goal of the season provided the Broades with their margin of victory to knock the Gold Nuggets out of any first place hopes. Cindy Laquidara turned in another outstanding performance in the nets to gain her third seasonal shutout. Paula Kavanaugh and Doris McMillan played very well on defense for the Nuggets in a losing cause.

With the league title already clinched the Blacks jumped out to a 1-0 first period lead when Tammy Oliveira slipped a five footer past the Barons Kathy Bristol at 8:15. It was Tammy's 28th goal of the summer season. Early in the middle frame, Leslie Arnold tied the contest with her 12th marker for the Barons.

Both clubs skated up and down the ice with each sated enjoying various degrees of offense, but the goalies were equal to the task. At 10:58 of the final stanza Arnold went off for tripping and the Blacks capitalized on the break to post their sixth win in their last seven games. The winning score came with only eight seconds left on the clock as Oliveira batter her own rebound past the Barons goalie and it was all over.

The Recreation Department would like to thank Carl Backman, Jr., Don Rossi, Barbara Gunn, Eileen Morrisette and Sandy Lalier for their devotion to the summer program, and to all the girls, who made the summer hockey set-up possible. Thank you and hope you enjoyed it.

## \$1500 was pledged to defend The Dog

About ten Wilmington men, so the story goes, were in a bar in an adjacent town, Sunday night, and the subject of The Dog came up. Before many minutes had passed everyone had pledged money, for the defense of The Dog. The total sum is reliably reported to have reached \$1500.

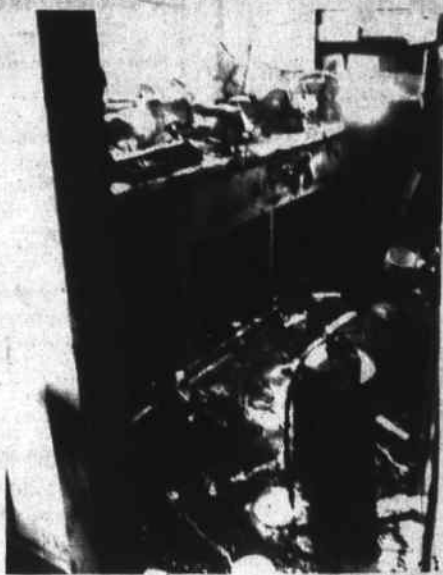

The Dog, of course, is the animal that is supposed to have bitten Selectman James Miceli of Wilmington.

Unfortunately he is not alive today to enjoy the trust and friendship of those men, members of the human race. He was put to

sleep shortly after he was said to have indulged in his first bite, in defense of his master's territory. Papers filed in the Superior Court in Cambridge indicate that Attorney Simon Cutter of Wilmington has been retained in the suit for \$100,000 damages, by Miceli. The defending attorney is James F. Banda of Wilmington. The return date of the writ was August 6th.

Mr. Miceli, it has been said, was on private business, either his insurance business, or political, at the time of the incident, which was a year ago last July.

## A delicate brew

SULFURIC ACID, WEED KILLER, MOTOR OIL & PAINT: Were mixed up in a thorough fashion, by two ten year olds when they broke into the Wilmington cemetery office, last weekend. The superintendent of the cemetery department wasn't exactly sure what would happen, when his men began to clean up the mess.

Officer Delan of the Wilmington Police Dept. played a hunch, and found the boys - and the mother of one was nearly having conniptions because of the mess in the family bathroom.

## HOMEROOMS WILMINGTON NIS AND WIS

All North Intermediate School students are to report to the cafeteria the opening day of school, September 5, 1973. Homeroom assignments will be made at that time.

West Intermediate  
All seventh graders at the West Intermediate School are to report to the cafeteria the first day of school, September 5th. At that time, they will be given their classroom assignments.

At the West Intermediate School eighth grade assignments are as follows:

Room 101, A through Carignan; 103, Carlson through Elliott, R.; 104, Elliot, W. through Greening; 105, Grenier through LaMothe; 106, Lanury through McMillan; 107, McNamara through Riley; 108, Rose through Saghreue; 212, Sullivan to the end of the alphabet.

## Grape boycott organizer

Henry Brewster, a Lowell resident, gets the sum of \$5 per week, and board and room. He is a worker for the United Farm Workers, and is representing Cesar Chavez in the campaign against the sale of grapes, in grocery stores. Mr. Brewster will speak anywhere, on demand, in Wilmington and elsewhere.

The Grape Boycott, he reports is working. More than 60% of the chain stores in the Boston area are respecting the Grape Boycott. Purity Supreme, Stop & Shop, and Star Market are three chains that are honoring the boycott, Mr. Brewster says, and selling only United Farm Workers lettuce and grapes.

In Wilmington someone who wished to have Mr. Brewster or another representative speak may get him by calling 658-3764.

Hippocrates is, of course, one of the great names in the history of medicine.

It is to Hippocrates that we attribute the separation of medicine from superstition. Hippocrates first made medicine respectable.

It was he who began to bring some sort of scientific order to the field. Hippocrates lived during the fourth and fifth centuries B.C.

After his death, it became a practice that all doctors in Greece had to be freeborn citizens who followed a prescribed course of study and who agreed to live by the Hippocratic oath.

Friendly service and top quality always prevails at Silver Lake Pharmacy, 52 Main St., Wilmington. Stop in today and see our complete line of the finest cosmetics and men's toiletries. Open 7 days a week from 9 am to 10 pm. Phone 658-4617.

Helpful Hint: There will be fewer ants on your picnic table if you soak small rugs with insect repellent and put one under each leg.

In order to give our clerks their last fling before a busy winter season, we will be closed all day Labor Day. Drive Carefully!

Realtor

If you get your mortgage through a savings and loan association, you are actually purchasing shares in the association. The directors of savings and loan associations are elected by the shareholders, so that any member of the association has a voice in how it is run.

Today, savings and loan associations are an important factor in home financing in the United States. Lending territory is restricted to a given number of miles from the home office.

The personalized service and experience you receive at A & M Fenton Realty, Inc., 104 Lowell St., Rte. 129 Wilmington, 658-3221 or 944-6457 are important factors to consider in buying or selling a home. Be sure to call us with your listing for professional real estate service by real estate professionals. We are members of MLS to give our sellers maximum exposure and our buyers maximum selection. Open from 9 am to 5 pm seven days. Evenings by appointment.

Helpful Hint: Cast iron boilers are guaranteed to last for twenty years so you will want to inspect the boiler system in your prospective home.

## The Special Summer Program has many facets

The Special Children's Program, in Wilmington is more than just something for certain of the youngsters of the town. It is also an event in the lives of many volunteer helpers - indeed, sometimes it may be said that it helped to make volunteering to help a lot of fun.

The Wilmington Recreation Department, during the past summer, has had a program lasting for eight weeks, for the Specials, which culminated during the past week at Camp Forty Acres. There was a camp-out Thursday night, and it ended Friday.

Forty-three children registered for the program for over the summer, about fifty percent of those who were eligible. The average attendance, daily, was about thirty-five. There were about fifteen volunteers, every day to help. Most of the program was conducted at the Swain School.

There were weekly field trips, which included a trip to Benson's Animal Farm, one to Logan Airport, a ride around Boston Harbor, and Canobie Lake. The youngsters participated in programs with the other playgrounds, and took part in the Beach Day program, Playground Olympics and the Soap Box Derby.

SPECIAL CAMPERS: At Camp Forty Acres, last Friday. In front is Chuckie Martin, who was the Most Improved Camper of the summer. Chuckie learned to walk, at least a few steps without the aid of crutches. Corbie Scholtz was awarded the Female Camper of the Year trophy; Gina Scaroni was given the Camp Spirit Cup and Doug Catania was given the Boy Camper of the Year trophy.

In back is Louann Nichols, who was one of the many volunteer helpers. Louann was awarded a cup as Most Helpful Volunteer.

CARD OF THANKS  
We would like to thank Mrs. Marsh, Mrs. Keen and the Wilmington police and firemen who helped us during our emergency last Wednesday morning. We also wish to thank our many friends and neighbors for their kindness to us during the past week.

The Family of  
Harry G. Moore
